Check scale before committing the job

A4 sheet | Print only this page on matching paper.

Use 100% / Actual size. Disable Fit, multiple pages per sheet and borderless expansion.

Measure between line centres. Screen zoom is not a physical measurement.

100 mm horizontal reference

100 mm vertical reference

Record X and Y independently.

If both measure 97 mm, the output is 97%.

If X differs from Y, one scale correction is insufficient.

Position checks: centres measured from the left sheet edge

20 mm 100 mm 180 mm

Measured positions: _____ / _____ / _____ mm

Printer / app / queue: _____ Scale setting: _____

Measured X: _____ mm Y: _____ mm Paper: _____ Date: _____

Generated 9 Nov 2026. Digital geometry checked; no physical printing claimed.
